BUS RULES

TEN SAFETY RULES

To educate and remind children about practicing bus safety, Bus Education Services stresses the 10 Rules of School Bus Safety. They are designed to make safety a priority for your children.

10 Rules of School Bus Safety….

Be at the bus stop early.

Wait for the bus in a safe place – away from the road.

Take your seat right away.

Stay seated at all times.

Keep hands, arms and head inside the bus at all times.

Listen to the bus driver and follow directions.

Leave the bus carefully using the handrails.

Take 10 giant steps away from the bus.

Look both ways before crossing the road and wait for the driver's signal.

Keep away from the bus if you drop or forget something.

We also encourages the removal of drawstrings and toggles from children's clothing and backpacks. They can become snagged on school bus handrails or doors and can result in serious injury.
